THE MUSICAL PROGRAM

Naturally a feature of first importance in connection with the dedica-tion ceremony will be the music. This will be the best the Catholic church can provide, and the Catholic church has many storehouses from which draw. The music will be under the direction of Miss Nora Gleason, director

of the Cathedral choir. There will be sixty mixed voices.

The mass will be Gounod's "St. Cecelia Messe Solemnelle," rendered by the ensumble in its entirety, with the exception of the "Gloria," which will be from Mozart's "Twelfth Mass." The St. Cecelia mass is known to be the favorite mass of Cardinal Gibbons, who will be present. There will be the organ and a sextet from the assorted symphony orchestra. Mrs. Edward Mc-Gurrin will be at the harp.

For the Processional, "Alleuia," from Beethoven's "Mount of Olives" will be sung. Weigand's "Veni Creator" will be given by a male chorus. Responses will be made by the men of the choir and the boys in the sanctuary. In addition to the music already mentioned a number of psalms will

Saiutaris" and "Tantum Ergo," by Suserman. The services will close with Emmerich's Laudate Deminium

The Cathedral choir will be strengthened by a number of voices from other choirs in the city. Preceding the dedication one hundred little girls will assemble at the old cathedral on Second East and march to the new edifice, singing Haydn's "Te Deum." The girls will be robed in white gowns and veils and will wear wreaths. At the new cathedral they will join the altar boys. They will be under the direction of Miss Mildred Cuddy,
